

Diocesan Spring Conference
May 16, 2009
St. Stephen's Church, Escanaba

The Gift We Have To Offer ~
*Sharing the Unique Gift of the Episcopal Church
in the Upper Peninsula*

*What gifts do we as individuals and our congregations
have to offer the communities in which we live?*

*What is unique about being an Episcopalian
living in the U.P.?*

Please plan to attend the Spring Diocesan Conference to discover the answers to these and other questions as we begin a diocesan-wide journey into congregational development.

This year's conference will not be run-of-the-mill. Worship, videos and fun activities are planned to energize discussion and planning for our future together in this special place. Let us reveal together the gifts we have to offer.
